

Printing for
Professionals

Introducing the most comprehensive product portfolio in the industry

Whatever your large format printing requirements, Océ has a solution for you.

Looking for high quality, color printing for a lower volume, decentralized environment?

Need a cost-effective, easy-to-use large format printer for your workgroup?

Want to save on outsourcing costs when you need the occasional banner, presentation or event graphic signage?

Océ can help. Océ is now selling the Canon imageProGRAF® series printers. From cost-effective, high quality technical document printers for CAD and GIS applications to high quality, 8-color and 12-color graphic arts printers, the imagePROGRAF printers offer:

Free Delivery

For Orders

- Excellent print quality – up to 2400 x 1200 dpi
- Maximum print widths from 24” to 60”
- 5-color, 8-color, or 12-color ink systems for a large, dynamic color gamut
